CLEARINGHOUSE RULE 22-084

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

2. Form, Style and Placement in Administrative Code

Following the analysis for the proposed rule, consider inserting a heading for “Text of Rule”.

3. Conflict With or Duplication of Existing Rules

The definition for “Indian child”, used in the rule, refers to certain individuals under the age of 18, while the definition of “child”, used in the rule, refers to certain individuals under the age of 21. Should a different definition of “Indian child” be used to afford Indian children aged 18 to 21 the same family participation provided by the rule for an Indian child under the age of 18?

5. Clarity, Grammar, Punctuation and Use of Plain Language

The note under s. DCF 61.03 (5) should identify “DHHS” as the U.S. Department of Health and Human Services. [s. 1.08 (2) (b), Manual.]
